# Oxidized Cellulose

OC is an effective haemostatic product which is suitable to use on capillary, venous bleeding, parenchymatous organ bleeding, resection area, on surgical operations and other cases which other haemostatic agents can not be able to use.

Fully haemostasis within 2-3 minutes  
Easily controls large area bleeding surgery areas  
Absorbable in 12-72 hours  
Entirely eliminated from the body in 7-21 days

With the carboxyl group content on OC is bactericidal and bacteriostatic, OC kills wide range of gram positive and gram negative bacteria

## Oxidized Cellulose;

manufactured with totally natural and biocompatible raw materials. Hence, OC is totally absorbable in body.

is suitable for use in general surgery and digestive surgery neurosurgery, plastic surgery, gynaecology, urology, stomatology, traumatology and all other branches of surgery it could be applied into cavities (after extirpation of tumors) as well as endoscopy surgical intervention

is also indicated for use in dental application - oral surgery, exodontia, tooth extraction and other procedures in the oral cavity.

is suitable to use in veterinary applications, both surgical and superficial treatment.

is applicable to bleeding area with cutting to required size and suture to the tissue if recommended.

# PVA

**PVA (Polyvinylalcohol) expansible sponge;**

Soft, comfortable and conforming use.

Vacuum processed sterile packaging ensuring long and safe protection.

Easily trimmed with scissors or by hand.

Micro pore size minimizes tissue ingrowth.

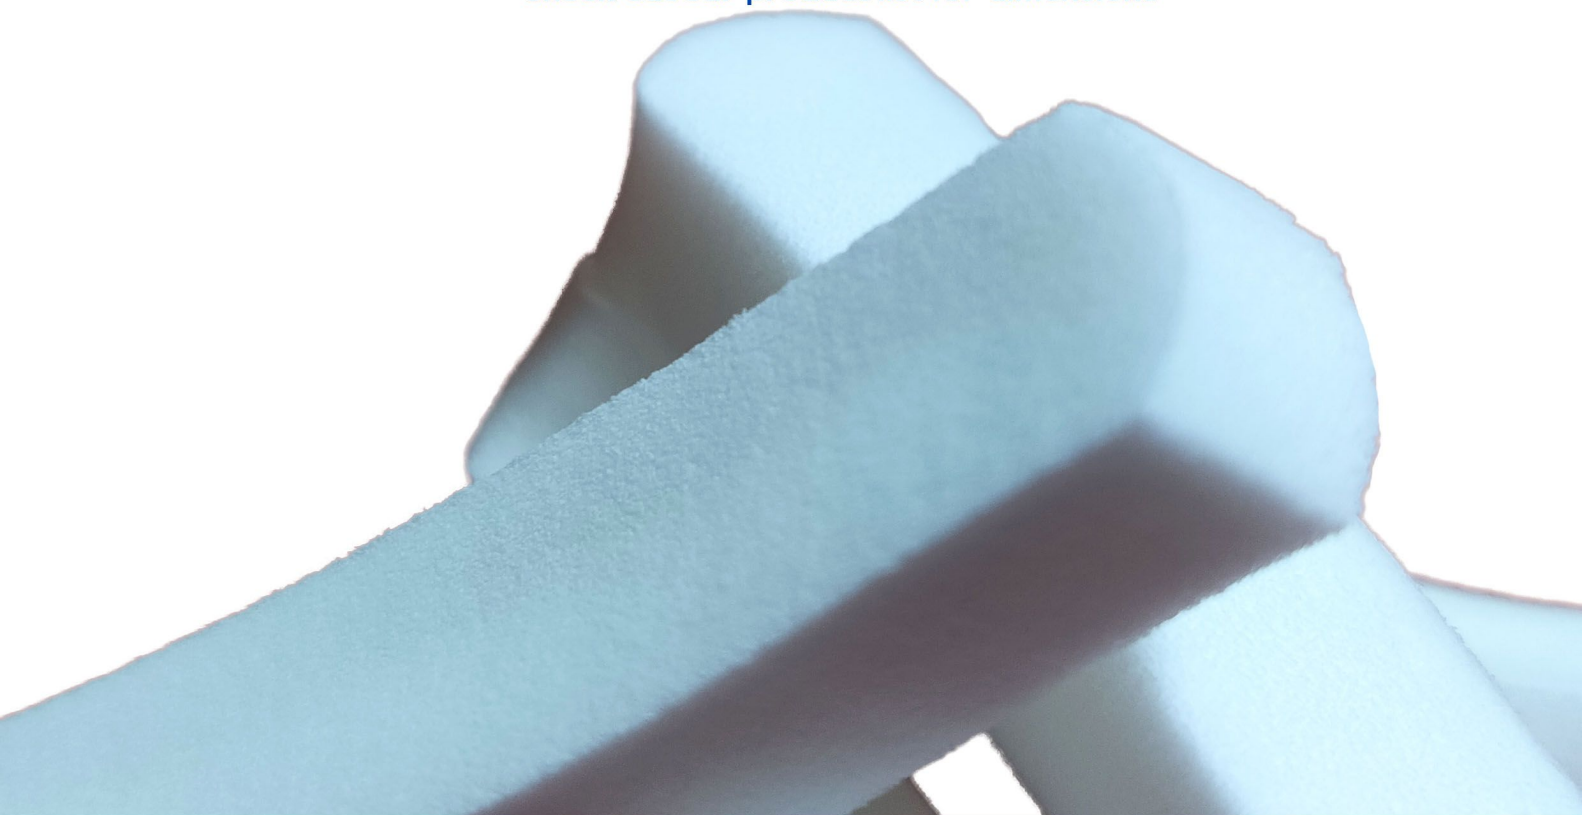

Capable to absorb 25 times of its own weight.

Expansion capability under mucosal pressure.

PVA is biocompatible.

Product Family	Product Name	Dimensions	Product Code
Absorbable Gelatin Sponge*			
	Bulk	42 x 20 x 3 cm	24901001
	Standard	80 x 50 x 10 mm	24901002
	Standard	70 x 50 x 10 mm	24901003
	Anal	80 x 30 mm	24901004
	Dental	10 x 10 x 10 mm	24901005
	Powder	1 gr	24901006
	Film	200 x 70 x 0.5 mm	24901007
Oxidized Cellulose*			
	Bulk	10 cm width X unlimited lenght	24902001
Oxidized Regenerated Cellulose*			
	Bulk	10 cm width X unlimited lenght	24903001
PVA Ent Packing*			
	Bulk	42 x 20 x 3 cm	24904001
	Nasal	8 x 1.5 x 2 cm	24904002
	Epistaxis	10 x 1.5 x 2.5 cm	24904003
	Sinus	3.5 x 1.2 x 1.2 cm	24904004
	Otology	0.9 x 1.5 cm	24904005
	Otology	0.9 x 2.4 cm	24904006
Dissolvable Nasal Packing*			
	Standard	7 x 3 x 1 cm	24905001
BoneWax*			
	Bulk	Kilogram	24906003
	Standard	2.5 grams	24906001
	Standard+	3 grams	24906002

Other dimensions are subject to individual agreements
